

Dim sum treat for the elderly

The Din Tai Fung restaurant at 313@Somerset was transformed into a dumpling-making classroom yesterday for 30 elderly folk from the Care Corner Family Service Centre.

Assisted by in-house chefs, the senior citizens spent about an hour rolling dough, inserting red bean paste and moulding dumplings.

Later, they were treated to dishes such as steamed pork dumplings and steamed chicken soup.

This initiative is the first conducted by Din Tai Fung for underprivileged communities. ST PHOTO: ALPHONSUS CHERN
