Shioik salmon

At Hamoru in Food Republic, fish get a creative twist and end up with delicious flavours

LEFT:
By Wong Ah Yee

FISH might get a convenient makeover, but after relatively elaborate meals in conventional restaurants, the shioik salmon at Hamoru is a real treat.

At Hamoru, the food is done hot and served in a traditional shioik style. The shioik salmon is a creative twist on the traditional shioik, a popular dish in the region. The salmon is cooked in a traditional shioik style, but with a creative twist. The salmon is cooked in a traditional shioik style, but with a creative twist.
